NEW MEMPHIS THEATER. -The engage ment of Edwin Forrest closed at the New Memphis Theater last evening with the fashionable house. The engagement has been a decided success, the attendance being good, notwithstanding the fact that the price of admission had been doubled. An actor who can draw at times like the present, must have genius and be lucky at the same time. Messrs. Roig & McDonough, with their company and Mr. Forrest, proceed to Barney Williams for next season to appear at the Broadway Theater, New

York. THE METHODIST FESTIVAL. The attendance at the strawberry festival in Stillman Hall last evening was good, the hall being crowded with a brilliant array of the youth, beauty and intelligence of Memphis. Among the visitors we noticed Hon. Emerson Etheridge, who appeared to be quite a favorite with the ladies. If an election for Governor had taken place at the festival he would have been elected by acclamation. To-night the festival will close, and the different prizes to be awarded to popular persons Hay, chairman of the committee, made will be given to those receiving the highest number of votes. The Gospel being read proceeded with the selebration of the Holy Eucharist, the Bishop consecrating the elements and administering to the priests and deacons present; Rev. Geo. White and Rev. B. F. Brooke to the laity. After the singing of the Gloria in Excelsis, the candidates were addressed by Bishop Quintard, who pronounced the benediction. The procession then moved slowly down the north aisle, the beautiful medieval hymn, "Jerusalem the Golden," being sung as a recessional.

CUMBERLAND PRESSYTERIAN ASSEMBLY. The General Assembly of the Cumberland Presbyterian Church convened at the usual hour yesterday. After the religious exercises the Committee on Commissioners reported the names of Commissioners who were entitled to scals. The chair appointed standing committees on Missions, Publication, Education, Overtures, Judiciary, State of Religion, Sunday Schools and Parental Training, and Moral and Religious Training of the colored people. Special committees upon the various Synods of the church were also announced. Considerable discussion took place in regard to the Moderator appointing a committee on the Moral and Religious Training of the Colored People, the matter being finally settled by adopting a resolution "that it is the sense of this Assembly that the moral and religious training of the red and black men are subjects appropriately belonging to the standing tion was read stating that Rev. EPISCOPAL CONVENTION.-Very little business was transacted in the Episcopal Convention yesterday in consequence of ordination service in Calvary Church, Rev. W. C. Gray, chairman of the Committee on the Educational Institutions of the Church in the Diocese, made his report. He urged churchmen to rally to the support of the institutions at Winchester or Sawance. The management of the Columbia Female Institote was warmly commended. Other schools were alluded to. The report was received and adopted. Rev. Henry P. a report with reference to the Pan-
